## EDUCATION

### LNCT Group of Colleges, Bhopal

MCA - **CGPA** - 7.87

09 2024 – Present

Bhopal, India

### Dr. MPS Group of Institutions, Agra

BCA - **Percentage** - 69%

2021 – 2024

Agra, India

## TECHNICAL SKILLS

**Languages:** JavaScript (ES6+), C++, C, Dart

**Frontend:** React.js, HTML5, CSS3, Flutter, Tailwind, Bootstrap

**Backend:** Node.js, Express.js, RESTful APIs

**Database / Cache:** MongoDB, MySQL, Redis

**Version Control:** Git, GitHub

**Cloud & Containerization (Basic):** AWS, Docker

## COURSEWORK / SKILLS

- DSA
- Computer Network
- OOPS Concept
- SEO
- Operating Systems
- DBMS
- SDLC

## PROJECTS

### Zore App ↗ | MERN, Node.js, React.js

2025

- Food delivery app with restaurant discovery, real-time order tracking, and short-form video reels.
- Users can browse restaurants, watch reels, like/comment, follow restaurants, and place orders.
- Owners manage menus, upload reels, view orders, and track ratings.
- 87+ REST API endpoints covering users, restaurants, products, reels, comments, likes, search, feed, and admin operations.
- Implemented secure JWT-based authentication and role-based access for users, owners, and admins.

### Twitter Clone ↗ | MERN, VS Code

2025

- Full-featured Twitter clone with authentication, tweets, likes, retweets, and follow system using MERN stack.
- Built a responsive UI in React.js with efficient global state management.
- Designed RESTful APIs in Express.js Node.js, storing relational data in MongoDB.
- Integrated secure JWT-based authentication and authorization, ensuring data privacy and protected API access.

### ShortQR App ↗ | MERN, Flutter

2024

- Built a URL shortener QR code generator with authentication (JWT) and analytics tracking (clicks, device, geo-location).
- Delivered cross-platform support with a Flutter Android app and React web app.
- Designed and deployed secure backend with Node.js, Express.js, and MongoDB.
- Handled backend operations using Node.js and Express.js, with MongoDB for storing shortened URLs, QR codes, and analytics data.

## ACHIEVEMENTS & LEADERSHIP

- Organized and trained 280+ MCA students on MERN and Flutter technologies, conducting live workshops.
- Conducted a technical workshop for BCA students at Dr. MPS College, Agra on modern web and mobile development.
- Guided peers on backend architecture, deployment, and API design best practices.

## CERTIFICATIONS & INTERESTS

- “Instagram Clone – DevTown” and “Webathon Gen NXT Techies” certifications.
- Active contributor to open-source projects and tech communities.
- Enjoys writing Hindi poetry and blogs on technology trends.
